Job Safety Analysis (JSA) Addendum

Performance of Field Work During Coronavirus (COVID-19) (Currently Required Addendum to all Company JSAs)

APPLICATION: The requirements detailed in the JSA apply to all field work as a 3/17/2020 and until rescinded. The JSA is a required addendum to all _____ Health and Safety Plans (HASPs) and JSAs and applies to all field work types performed by _____.

PRECEDENCE:

Actions and mitigation measures described in the JSA supersede all other directives, except where more protective measures are specified.
